CSS	Ansible	Nginx	Putty
Javascript	Docker	Linux	

EDUCATION

Bachelor of Technology - Computer Science and Engineering   **Sep 2019 - Apr 2023**
Miracle Educational Society Group of Institutions

PROFESSIONAL PROJECTS

Hospital Management System
- I'm working on a web-based Hospital Management System project using Java with the Spring Boot framework for both frontend and backend development.
- The system is designed to streamline hospital operations by efficiently managing patient records, appointments, and staff tasks.
- It includes secure user login features for administrators, doctors, and patients, along with functionalities for appointment scheduling and patient data management.
- The project utilizes HTML, CSS, and JavaScript for the frontend, Java and Spring Boot for the backend, and MySQL for the database, ensuring a responsive UI for accessibility across various devices.

Paying Guest (PG) Management Application
- I am working on enhancing a Web-based Paying Guest (PG) Management Application, initially developed by Vangrove Tech Pvt Ltd. This application aims to streamline the process of locating and managing PG accommodations for users.
- My role involves implementing features like user registration/login, location-based PG search with amenity filters, and a seamless booking system. Additionally, I am working on tenant management and booking confirmations for PG owners.
- The application's frontend is constructed using HTML, CSS, and JavaScript to ensure a responsive user interface, while MySQL is employed for managing data related to users, PGs, and bookings.
- My primary focus is on improving the user-friendly interface and optimizing database management for better performance.

ADDITIONAL INFORMATION

- **Languages:** English, Telugu
- **Certifications:**   Devops With AWS (GreatCoder Technologies Pvt Ltd)   June 2023 - Aug 2023

DECLARATION

I hereby declare that all the information provided in this resume is true and accurate to the best of my knowledge. I am committed to delivering quality work with professionalism and integrity.
